

5-17-15

Judge Hillman,

My name is Jeremy Goncalves, I was in front of you Sept 1<sup>st</sup> for a violation of probation, at that time you sentenced me to 12 months with no probation to follow.

I expressed in a previous letter the problems with my wife since I have been detained. You asked me what my situation was with my wife at my hearing and I said it wasn't good. I found out that my wife was cheating on me and started doing heroin in November 2014. And that she abandoned my 2 year old daughter and since then both her mother and mine have had 3<sup>rd</sup> party custody.

On Sept 2<sup>nd</sup> I was called into My Counselors office and was told that a lady named Gabriella wanted me to call her, I then learned that she is a Social Worker at the Worcester DCF office. She asked me if I knew why she wanted me to call and if I knew what was going on, I told her I didn't and she then told me that my wife overdosed on heroin on Aug 27<sup>th</sup> and that my daughter was placed into foster care. My self or my family had no idea that this had happened.

I haven't spoke to my wife since I filed for divorce in Mid April. I then called my mom and told her.

On Sept 4<sup>th</sup> the Court gave full custody to my mother-in-law. Everything can be confirmed with the Worcester Probate Court and the Worcester DCF office. I'm

~~also~~ Also asking for the time that I was pre-Trial to be credited to my sentence. ~~The~~ The Federal Detainer was issued on Oct 7<sup>th</sup> 2014 and I was held in the →

Hampden County Correction Center until Apr 17<sup>th</sup> when I  
 was sentenced to that violation of probation which is the  
 same violation that I appeared in front of you for.  
 Also in May I went to the parole board with a  
 very good institutional record and was denied parole because  
 of my federal detainers. The credit time I am requesting  
 is from Oct 2<sup>nd</sup> when the Detainer was issued until April 17<sup>th</sup>  
 2015 when I was sentenced in Hampden County for a credit  
 of 192 days. I ask you this so I will be able to be  
 home with my daughter. She has a disability and is the  
 number one thing in my life. I have already been away  
~~from~~ from her for 11 1/2 months. The feeling of being  
 away from my child has caused me to experience things  
 that I never had. It has been the worst 11 months  
 of my life. I have vowed to never put myself in a  
 situation to ~~be~~ ever get taken from her again. I have a  
 great support group waiting for me when I get out along  
 with a really good job. I please ask you for credit  
 my time so I can reunite with my daughter and  
 start the life as a single parent.

Sincerely

Jeremy Carvalles
